WHAT TO DO:

Hike

The best views can be seen by trekking along some amazing trails. Check out
Pisciadu, Mt. Lagazuoi and Edelweiss National Park.

Beer tasting

MONPIËR DE GHERDËINA produces its own beers and has some great
tasting menus to go along with your choices

Biking

Take your rental car and drive up to San Candida in Val Pusteria and rent
some bikes. The trail is fairly easy and goes around 33 km finishing in Lienz,
Austria. You can ride back or pop your bike on the train and enjoy the trip
back. Visit the villages and nearby towns

Canazei, Cortina, and Bolzano are just a few. They are cute day trips if you are
looking to change scenery... just a little-
